

Lima Family Farms Turkey Order

Information 2023

Thank you for your interest in ordering one of our pasture-raised turkeys for your Thanksgiving dinner! Our turkeys are truly special as they live their lives outside on our green grass, in the sunshine and foraging as they were naturally meant to do. The supplemental grain they get is non-GMO and local. This of course makes them taste wonderful, but can also make you feel good that as you sit down to give thanks you are supporting a sustainable food system.

The price is \$5.90/lb, and they will be open for reservation on a first-come, first-serve basis.

Your turkey will be available for pick up the Tuesday prior to Thanksgiving from 1-5pm and Wednesday from 10am-2pm at our farm store (826 Amwell Rd., Hillsborough, NJ). **Please be prompt as these are long days for our crew.** Your turkey will be fresh and vacuum sealed.

For reservations, we will ask for a \$40.00 non-refundable deposit to hold your bird. This deposit will be credited towards the final cost. (Note: We do not take reservations by email, Facebook or through the website, only in person or by phone with credit card)

If there is a natural occurrence (i.e. a weather event or illness outbreak) that would cause us to be unable to provide you with a turkey we will refund your deposit.

We are requesting that you indicate your choice for weight range of your bird. You may choose between medium (16-19 lbs) and large (20-25+ lbs). At this time, we are not taking orders for turkeys any smaller than 16 lbs. We will do our best to fill your size selection, however please realize we cannot control the exact sizes!

If you would like to make a reservation, we request that you fill out the information form on the next page.

If you have any questions please contact us at limafamilyfarms@gmail.com or 908-336-8238. Information can also be found on our website, www.limafamilyfarms.com.

Thank you for your support all season! We greatly appreciate it!
